

Grigorios Polychronakis

🏠 Athens, Attica, Greece ✉ grigorispol99@gmail.com 👤 [GitHub](#) [CV](#) 🌐 [LinkedIn](#)

EDUCATION

BSc Studies in Physical Sciences, School of Science and Technology, Hellenic Open University – Patras, Greece

EXPERIENCE

Program Coordinator, Ekpaideutikos Organismos Fotograma, November 2022 – May 2026

Coordinated and facilitated educational interactive cinema programs across Greece, engaging with students aged 4–17 through tailored approaches ranging from playful learning to guided discussion on sensitive social topics.

Team Leader, Kivotos Paidikes Ypotheseis, June 2024 – July 2024

Led a group of children during a two-month summer camp in Athens, overseeing daily activities and safety while also designing and delivering educational sessions, including hands-on science workshops and experiments.

Physics Tutor, Volunteer, Self-Employed, October 2020 – June 2024

Provided one-on-one tutoring in physics, over several years, building personalized study plans and using hands-on experiments, multimedia, and simulation tools to enhance conceptual understanding and student confidence.

Sales Advisor, Plaisio Computers, July 2024 – October 2025

Provided solutions across the Upgrade and Sound & Vision departments, ensuring high-quality customer experience while gaining sales experience and a solid grasp of retail metrics like conversion rates and KPIs.

DEVELOPMENT

Anthropic Academy, AI Courses

Claude, Claude Code and Claude Cowork 101, AI Fluency Frameworks and Foundation, AI Fluency for Students and Educators, Model Context Protocol Basic and Advanced topics, Introduction to Agent Skills

Coursera, Google and Microsoft

Google AI and Data Analytics Professional Certificates | Microsoft Data Analysis with SQL, Excel and Power BI

IBM Quantum Learning Platform

Basics of Quantum Information, Fundamentals of Quantum Algorithms, Quantum Error Correction, Quantum Diagonalization Algorithms, Variational Algorithm Design, Quantum Machine Learning, Quantum Cryptography

Pendo Academy, Mind the Product

Product Management Basics, Product Analytics and AI for Product Management Certifications

Vodafone Foundation, SciCo Generation Next, Principles of STEM Education and STEM Tools

Eugenides Foundation and IMBE, Neurobiology of Learning

SKILLS

Quick Learning, Critical & Analytical Thinking, Data Analysis, Statistical Analysis, Project Management, Time Management, Strategic Planning, Communication & Presentation, Science Communication, Public Speaking

Programming Languages

Python, R, Julia, SQL, Qiskit, Mathematica, Maxima, Octave / MATLAB, LaTeX

Software & Tools

MS Windows & Office Suite, Google Workspace, SAP ERP, Power BI, Tableau

AI and Automation

Open AI ChatGPT, Google Gemini, NotebookLM, Anthropic Claude, DeepSeek

LANGUAGES

Greek (Native), **English** (Advanced), **Swedish** (Elementary)
